

# Measuring for Custom Type #2

If you are interested in Custom Rail #2A or 2B take your measurements A through G and any overhang, count the number of stairs, then give us a call

If you have a different amount of stairs than our drawing, measure each rise and run to give to us.

If you are interested in Custom Rail #2C take your measurements A through G and any overhang, count the number of stairs, then give us a call.

If you have a different amount of stairs than our drawing, measure each rise and run to give to us.
