

Custom 4

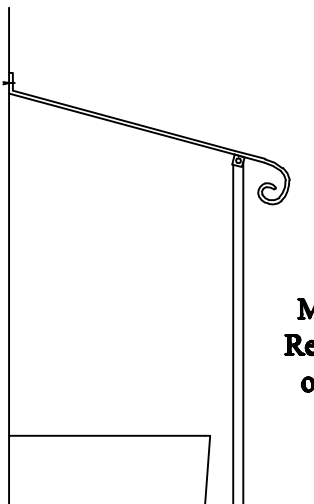

Many customers need just a short railing for 1 or 2 steps.
Here are some examples of things we can do for those situations...

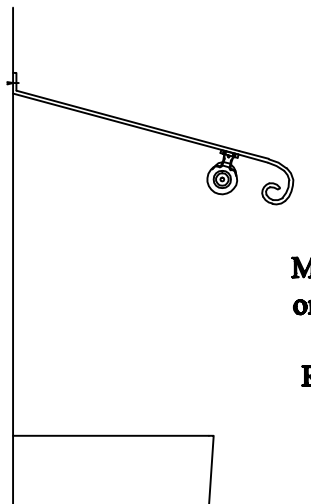

4A
Regular EZ rail
with base plate - made to
exact size needed
Regular 3 foot price

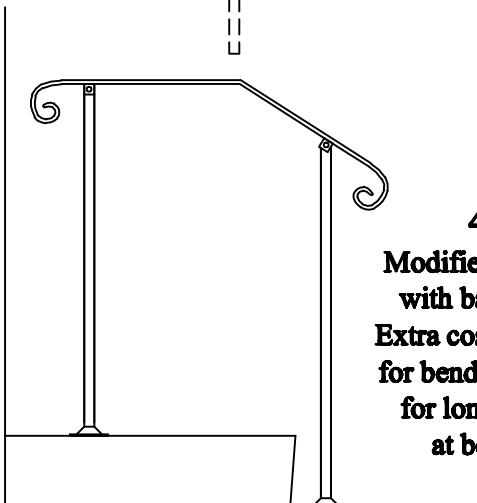

4B
Regular Wall Rail
Regular 3 foot price

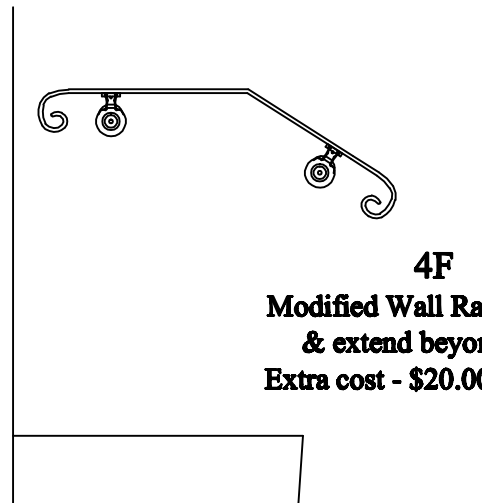

4C
Modified EZ Rail
Regular price based
on top rail length

4D
Modified Wall Rail with
one end of top rail made
into bracket
Regular price based on
length of top rail

4E
Modified EZ rail
with base plate
Extra cost - \$20.00
for bend & \$20.00
for longer post
at bottom

4F
Modified Wall Rail to bend
& extend beyond step
Extra cost - \$20.00 for bend
