

Custom 6A

EZ Rail with base plate can be made to place the bottom post on ground in front of first step if you need to avoid installation on that step for some reason.
No extra charge for this view.

Custom 6B

This custom view is the same as 6A but has the post in closer to stairs.
Extra charge: \$20.00 for a longer post on this view

Drawing shows an EZ Rail with base plate, but we can also modify an in ground or core drilled EZ Rail

* If you can e-mail a picture - that is very helpful *
